Why Join the PTA?

What is PTA? Why join PTA? The number one reason to join the **Parent Teacher Association** is to benefit your child. In doing so, you also help our school. But there are many more PTA advantages:

- **Get Connected.** There's no better way to know what's happening in your school.
- **Discover Great Resources.** The PTA offers a variety of programs designed for parents as well as students.
- **Tap into a Network.** PTA functions are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind. Ideas, concerns, and experiences are shared.
- **Speak Up.** PTA can be a way for you to more effectively suggest change at your child's school.
- **Witness Improvement.** By getting involved at your child's school you'll be part of the solution, helping make positive changes. Local PTAs play an important role in fundraising to provide building improvements, curriculum-based programs, and social events.
- **Be a Role Model.** By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.
- **Enjoy Substantial Benefits.** Individuals and local units can take advantage of a host of benefits from PTA membership including various discounts and offers.
